Drawer Pulls

Ashley Norton's MT2768 Cup Pull is available in a range of finishes. (Ashley Norton)

Ashley Norton's Cup Pull Collection has added more options.

While the collection includes traditional designs such as the Classic Cup Pull, the company also added detailing including angles and hammer marks for a fresh take on the classic style. For a more industrial feel, some designs offer exposed screws and extended metal backplates for added heft. The sleek and square Box Cup Pull complements contemporary flat-panel cabinets, while designs like the Minimalist Cup Pull show off simplistic curves.

Cup pulls are available for all Ashley Norton's hardware collections. Finishes range from lead-free pewter and shades of bronze to shades of black.
