New Wood Hardware From Ashley Norton

WOODSHOP NEWS EDITORS • APR 18, 2024

Ashley Norton introduces wood knobs and pulls to its collection of cabinet hardware.

Designs include the undulating Wave Pull, the slightly slanted Angled Knob, the twisted Arc Pull, the Craftsman-inspired Rectangular Knob, the circular Yo-Yo Knob, the bridge-like Modern Pull, as well as several designs that seamlessly blend wood and metal for a uniquely balanced look, according to the company.

Additional ash wood styles are available in a stained black finish.
